Step 2: Find a referral target

1. In the Healthmap, use the search bar to **Find any health service**.

2. Enter a clinic, physician or service name to pull the directory listing.

3. Choose the appropriate service from the listing.
4. Scroll down to **Health Service Offerings** and choose the appropriate service from the listing.
5. Click **Send eReferral** to open the form.

Step 3: Complete and send the referral

1. Fill out the referral form. Mandatory fields are marked with an asterisk (*).
2. If needed, select **Save for Later** to save the referral and come back to it within 30 days.
3. Click **Send eReferral** when the form is complete.

Step 4: Follow the prompts to confirm all details

1. Confirm patient consent for email updates.
2. Confirm your clinical information is correct.
3. Review the eReferral confirmation message.

Note: A copy of the referral summary will be automatically imported into the EMR.
