

# Receive an eReferral on Ocean Web Portal

This guide walks you through the steps to review and accept a new eReferral using the Ocean web portal.

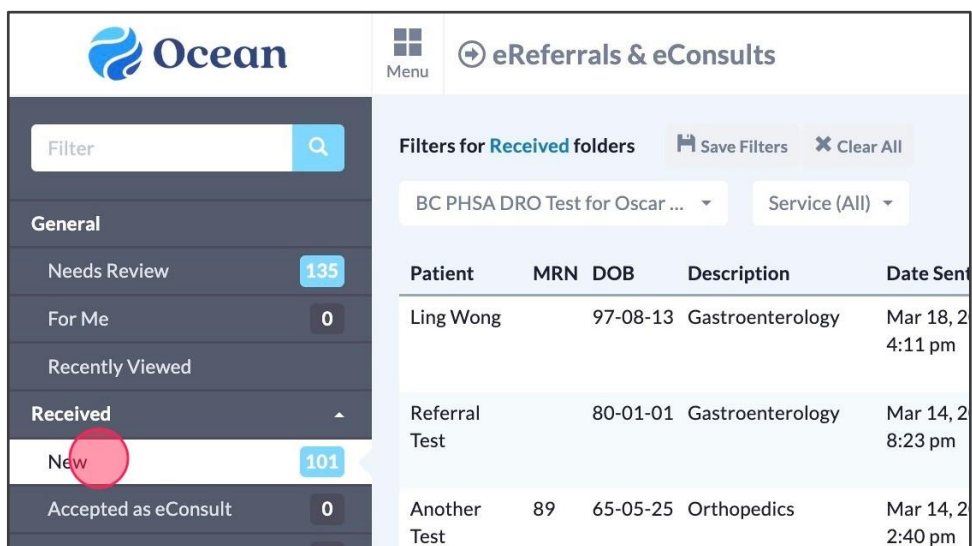

## Step 1: Log in and access your inboxes

1. Sign in to your OceanMD user account.
2. On the left sidebar, click **Received** to expand your received inboxes if this is not already done.

## Step 2: View new eReferrals

1. In the **Received** section, click the **New** inbox.

**Ocean** Menu eReferrals & eConsults
